

Boiler Plus Your combi control options

What & why?

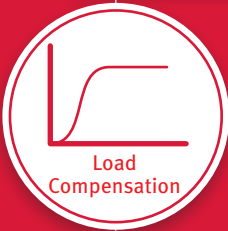

Almost $\frac{1}{3}$ of homes in England are heated by older, inefficient boilers

Nearly $\frac{1}{4}$ of homes are without a room thermostat

Glow-worm can help - 3 easy steps:

Climastat

Climapro₁

(Must be used with a mechanical timeswitch or a 3rd party external timeswitch)

Climapro₁ & Outdoor Sensor

Climapro₂RF & Outdoor Sensor

Includes load and weather compensation

MiGo Smart Control
